THE LEGISLATURE

by Chick Evans

The 88th came suddenly to life as its 14th week ended. The surprising action came after Speaker Joseph T. Edgar had sounded the recessing gavel and House Republicans gathered for a quick caucus. In that meeting the majority members showed their approval of the introduction of an Order under which the Legislature would look into the variations in gasoline prices in various areas of the state. With the expressed determination neither to "pry" into the motor fuel business nor endeavor to impose regulation, the House Republicans were equally eager to give both motorists and gasoline dealers a "break" by bringing to light facts in the interests of the motorists and the seller of gasoline.

Variations in retail price ranging from 6 to 8 cents a gallon were reported at the caucus which took pains to avoid any effort to cover "gasoline wars" in its order. House Majority Leader James C. Tolman said the order would be entered at once.

The caucus was also informed that a joint Republican House and Senate caucus was planned for Thursday (April 11) devoted exclusively to a discussion of highway matters.

Rental Tax. A proposal to tax transient rentals of hotel, motel, and rooming accommodations had a short life. Rep. Carl M. Stilphen (R-Rockland) decided to withdraw the bill, whose two percent levy would have made \$2-million a year available for construction and reconstruction of primary roads. Representative Stilphen said that after conferring with the chairman of the Taxation and Highways Committee, he decided that so long as there was possible interference with tourist business, he would not press for the bill. Stilphen said he would continue to work for the highway construction, however.

Legislative Pay. The legislator is worthy of his hire, in the opinion of Rep. Frank M. Pierce (R-Bucksport) who has proposed that legislative pay be upped to \$2,000 for each regular biennial session. This pay hike of 60 percent would become effective in 1958. No change in the \$1,200 daily rate for special sessions is proposed. Under the Pierce legislation, the pay of the President of the Senate and the Speaker of the House would go from \$1,600 to \$2,150.

Life Insurance at Savings Banks. What appeared to be the largest attendance at any legislative hearing this year turned out for discussion of Rep. John T. Quinn's (R-Bangor) bill to permit Maine savings banks to sell life insurance, with no outside solicitors or collectors. Close to 400 bankers and insurance people turned out and made it audibly clear where their sympathies lay, with only a handful rising as proponents of the bill against a roomful responding to a request for a rising opposition vote.

The debate on the Quinn measure lasted six hours. It was stressed that this is merely permissive legislation successfully in force in Massachusetts, Connecticut, and New York. Its operation, it was said, would benefit the "small purchaser who wants to buy thriftily." Insurance opponents, who applauded every opposition speaker, denied that savings had been made in the other states. Bankers "ought to stick to their knitting," in the opinion of Arthur F. Maxwell, Biddeford. The Maine Life Underwriters Assn. was strongly opposed; a study committee of Maine bankers was usually favorable.

Ray Hall Machines. "Many and many a child and many and many a parent are being hurt by the competition of Ray Hall machines," the Rev. Edw. J. Holt, Auburn, told the Legal Affairs Committee, as a spokesman for the Maine Christian Civic League. The measures in hearing, offered by Rep. Gay Allen (R-Chester), would, in one case, prohibit the use of gaming machines capable of being used for anything but a game of chance.

BRYANT'S MARKET, 1957

OLDEST LOCAL STORE NOW UNDER FOURTH PROPRIETOR

On April 1 Richard N. Bryant became the proprietor of Bryant's Market. This store is the oldest business in Bethel to remain in the ownership of one family, being established in 1826 by Mr. Bryant's great-grandfather, the late Chauncey C. Bryant.

Since the early days of the store it has been located in the same place at the corner of Main and High Streets, and has grown from a tiny one-room building to many times its original size. It now adjoins the former Bethel Village Corporation building and uses the ground floor of that building as storage space. Several of the growth periods are visible in the present quarters where more floor and wall space was added from time to time.

The founder of this establishment carried on, at first as a meat business, until 1902, when his son, the late William C. Bryant, became the owner. Myron C. Bryant assumed the ownership on April 1, 1931, upon the retirement of his father and conducted a steadily growing business. Since 1935 Bryant's Market has been affiliated with the Independent Grocers Association (IGA).

The many friends of the incumbency of the family succeed under his management.

NORTH WATERFORD

Josephine Sanderson, Cor. Warren "Lafe" Flint passed away Sunday afternoon at the Open Door Nursing Home. He had been in poor health for several years, and had been in the hospital a number of times in the past two years.

He had made his home here for the past thirty years in a little cottage he had built on the outskirts of town near Grover's mill. He was handy with carpenter's tools and made bird houses, letter racks and many handy household gadgets and had many customers for his handiwork.

He had a great love to fish and hunt until ill health forced him to give them up. He was a good neighbor to those in need of a helping hand, and his familiar face will be missed around the village.

"Lafe" was born in Worcester, Mass., April 7, 1876, son of Orrin and Frederick Sylvester Flint, and was educated in the Worcester schools.

Surviving besides his widow, Myra, are two daughters, Mrs. Nellie Hill, of Fryeburg, Maine, and Mrs. Beatrice Mills, Eldon, Iowa.

Funeral services were held at the Congregational Church, North Waterford, Tuesday afternoon. Interment at Elsbetown cemetery.

Mrs. Henry Sanderson returned home from the Stephens Memorial Hospital, last week, after undergoing surgery.

Walter Lord was in Lovell, Monday.

Mr. and Mrs. Rodney Cummings are home after spending several weeks in Florida.

Stanley Hamlin returned to work at the wool mill, Monday. He has been ill for the past two weeks.

Mr. and Mrs. Henry Sanderson have both been sick with the flu.

CARD OF THANKS
Many thanks to my friends, neighbors, and relatives for the cards, letters, flowers and gifts sent me during my recent stay at the Rumford Community Hospital. Also for the many acts of kindness shown my family.

Who rates what for performance and smoother riding in the low-priced three? Chevrolet has laid the answer and the proof on the line!

First, Chevrolet won the Auto Decathlon over every car in its field, and over the higher priced cars that were tested, too. This rugged ten-way test (right, below) showed Chevrolet was the champ in handling ease, braking, acceleration, passing ability, smooth-

ness of ride and other driving qualities you want in a car.

Then, Chevy won the Pure Oil Performance Trophy at Daytona (left, below) as "best performing U. S. automobile."

It's quite a feeling to know that you are driving a car that performs so well, responds so beautifully and is so finely built. You feel proud, of course. But you also enjoy a surer, smoother, steadier way of going, a keen

cat-quick response of power, and the easiest handling you've ever experienced behind a wheel. Just try this Chevrolet (V8 or Six) and see!

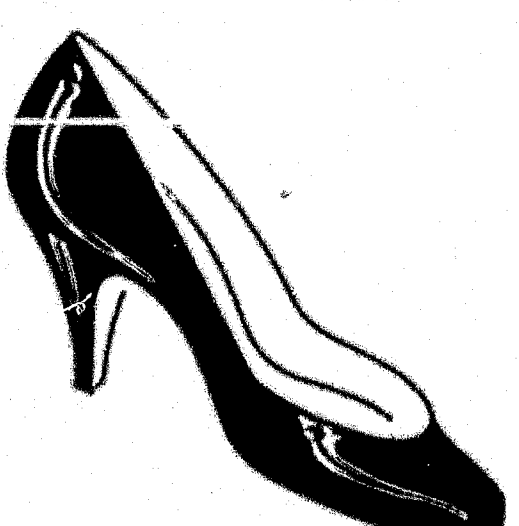

*Chevy showed it's still the champ...
at Daytona... and in the Decathlon!*

Spring Break-ups are rough
on tempers, tires, and taxes

During spring break-up, when roads develop potholes, ruts, and uneven surfaces, the use of heavy rollers and graders is essential for proper maintenance and repair.

Not only do rollers compact loose material, but they also break up old ruts and smooth the surface. This means they should be used.

Concrete is the only pavement that keeps the highway or "out of the red" as well as the mud.

DONALD McINNIS FUND

The "Day for Donnie" campaign is making excellent progress, with recent projects in South Paris, Locke Mills, Bryant Pond, and Bethel boosting the fund to within reach of its goal.

A concentrated effort is being made in the next three weeks to round out the campaign successfully by the end of April and assure Donald the care he needs.

It was learned recently that the boy will require a longer stay in hospital than the six months aimed for, as well as back and leg braces, a wheelchair and other necessary equipment which the fund hopes to provide.

A paper requesting donations is being circulated this week through the B. E. Cole and Franchise Shoe factories, similar to those very generous offerings by the employees of mills in West Paris, Norway workers are a clutch to show the same response. Later it is hoped to do the same thing in other establishments in Norway and South Paris.

For the interested citizens outside of the six towns given a quota of days, Donald and the committee are most grateful for your support. Donations may be turned over to one of the following town chairmen, nearest your location: Mrs. Robert Lowe, Bethel; Howard Mackillop, Bryant Pond; Merle Lurvey, Locke Mills; Jerro Hackler, Norway; Jack Foster, South Paris; Joseph Penley or Ivan Proctor, West Paris.

Watch for announcements about the big chicken pie supper to be held later this month.
